

60 Free Days of Health Care Services Can Be Yours

With health-care costs climbing year after year, it just makes sense to take opportunities to reduce the future cost of those services. When you choose to live at Friendship Village of Schaumburg, you can enjoy peace of mind knowing that your future health care needs are in order.

Unlike many communities for mature adults, Friendship Village offers life-care contract options that give you a choice of ways to reduce the future costs of Assisted Living or Skilled Nursing services, should you ever need them.

Each of these options guarantees you **60 FREE days** at either The Willows Assisted Living or Briarwood Healthcare Center, both located right in the Friendship Village community. That's a projected value of \$23,040.

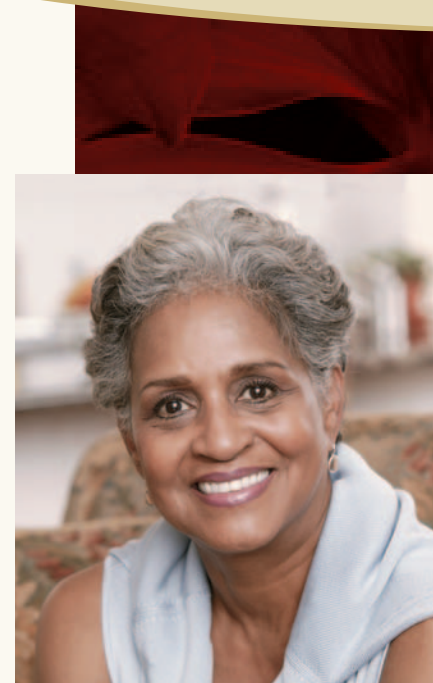

You can also save tens of thousands of dollars more by choosing a contract option that guarantees you a 10 or 50 percent discount on the cost of Assisted Living or Skilled Nursing. Call us and we'll explain how you can qualify.

Plus, because each of our lifecare contracts includes a way to offset the future cost of health-care services, you also may qualify for valuable savings on your income taxes. **Click here to learn more about the tax benefits of a life-care contract.**
